September 2026

Remembering a special friend.

Sadly, Elizabeth Forward passed away this summer. Liz and Les Tallarico spent many wonderful years together. She will be missed by all those who knew her.

This Fall:

Reverend Elaine Bomford will be conducting a water ceremony September 20. She writes "The Water Communion is a ritual for sharing and appreciating the blessings and power of the element water. It affirms that "like rivers to the sea," we begin and end at a common source. Folks are invited to bring water they have gathered from oceans, lakes, brooks, garden hoses, kitchen taps, etc., tell why the water is meaningful for them, and pour it into a bowl containing our shared waters. There will also be a pitcher of water provided for participants to pour from as opportune."

Maintaining our cherished buildings and property:

Matt Harwood has completed repair of all the windows in the Friendship Room. They all had very loose or missing glazing. This project was long overdue.

Later in September, Matt will be repairing and painting the church steeple, which is showing signs of rot. This project was approved at our 2025 Annual Meeting.

Ken Rocca has been chosen to remove the old asphalt from the driveway that passes in front of the church and Andy's Summer Playhouse, and to put down gravel to match the church parking lot. This project was approved at our 2024 Annual Meeting, and the work will start this Fall.
