May 2025

Thank you to those who contributed to the purchase of Easter flowers, and thank you to Carolyn Roy for picking out the beautiful plants.

Carolyn has volunteered to put on the Annual Strawberry Festival again this year. It will be held June 14th, from 10 a.m. to 2 p.m. Carolyn is looking for people to help set up, bake shortcake, help with sales, and pick up afterwards. Please contact her at 603-654-9561 or on her cell at 603-831-0461, if you can help.

We now have a new four-burner cooktop in The Red House kitchen.

Two Red House shed doors have been replaced. The old doors were rotting away, along with the sills and some of the trim. Nick Roy was the contractor, and did a great job, using manufactured lumber at the baseboards to resist rot.

Susan and Darrel Fisk have cleaned up all the old and broken cement blocks that were part of the BBQ pit. Soon Mother Nature will have grass growing back in the area again.

Wilton's Fire Chief inspected The Red House and had several requests to bring us up to code. We need smoke and carbon monoxide detectors in a few places. These have been purchased, and David Potter has volunteered to install them. Also needed are lighted exit signs at the outside doors. Kristen and Mike Wright have purchased the lights, which will be installed by a licensed electrician in the near future.
